

# Pindstrup Plus - Black label

- Dark Sphagnum peat
- Medium fertilizer level
- 0 – 6 mm, 0 - 10 mm or 0-20 mm
- pH 6,0 or pH 5,5

## Application:

Seeding in  
plug trays

## Examples:

Vegetables  
Bedding plants  
Cucumber  
Green pepper  
Melon  
Tomato  
Lettuce

## Description

There are three formulations of Pindstrup Plus: **Orange label** based on blonde peat, **Blue label** based on a mixture of blonde and dark peat and **Black label** based on dark peat.

The fertilizer level is medium and the pH is adjusted with limestone.

## pH

There are two possible pH-levels:

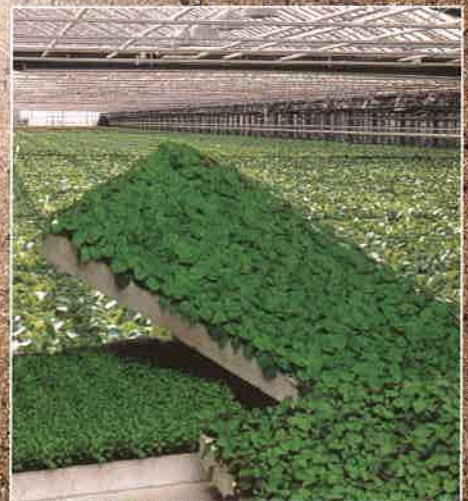

- pH 6,0:** ideal for most cultures, low-medium alkalinity water  
**pH 5,5:** high alkalinity water or special plant requirements
